

Agreed with God!

----- Amos 3:3-----

As we journey with God there can grow within our hearts an attitude of self-sufficiency, self-righteousness, pride and -- let's call it what it is --- sin that easily chokes out the life that comes from a relationship with Jesus! Amos taps in to the key that can bring breakthrough in our lives. Are we willing to go 'low' enough? A humble church will be a blessed church!

1. When we are agreed we walk in the PRESENCE of God!
2. When we are agreed we agree with God's PURPOSE!
3. When we are agreed we PUT AWAY anything that offends God!
4. When we are agreed we POSITION ourselves in close proximity to the CROSS!

God and man can not walk together except they be agreed....

NO FRIENDSHIP = NO FELLOWSHIP

Revival comes to a heart that is broken,
contrite and agreed with God!
