

# The Holy Spirit ... "The Gifts"

## (Part II)

**I Corinthians 12:1** *"Now concerning matters pertaining to the Spirit, I would not have you ignorant."*

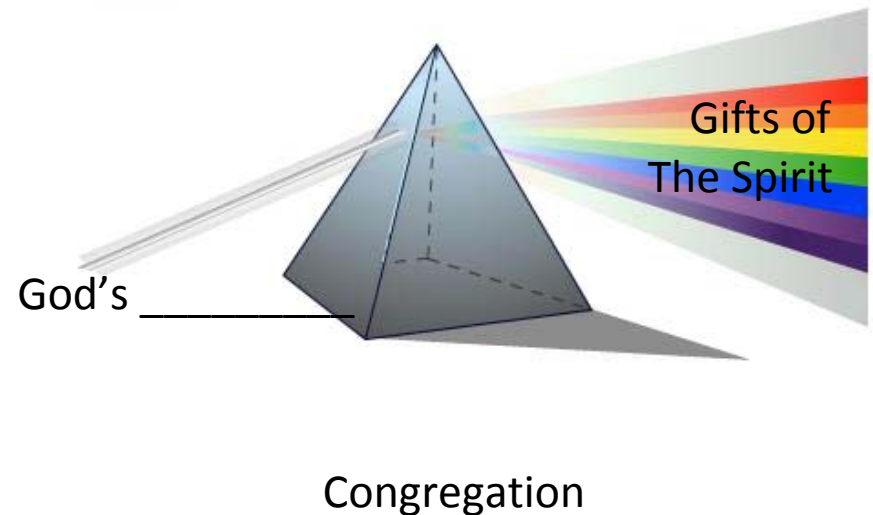

**Acts 19:2** *"...he said to them, "Did you receive the Holy Spirit since you believed?" So they said to him, "We have not so much as heard whether there is a Holy Spirit."*

*"The ultimate and full purpose of spiritual gifts stands revealed when God's presence dominates a life and a service. The gifts are to bring men and women face to face with the reality of the Invisible God; to make the Church realize that the Holy Spirit is ever present, and that all true ministry springs from Him who is her only source of life and power, and to make the unbeliever equally conscious that God cannot be forgotten and that sin dare not be trifled with. When once again the Church is enjoying her 'divine equipment', by redeeming grace, of every one of the Spirit's gifts, she will truly be 'fair as the moon, clear as the sun, and terrible as an army with banners.'"*
